

Emerging Technology Open Working Group

We envision a City that
**puts people first and
embraces technology
to enhance quality of
life and our public
spaces.**

You're invited!

City Administrator Naomi Kelly is hosting a series of public meetings.

Join us to share your perspectives on:

- How emerging technology both benefits and presents new challenges in our communities
- How the City can use emerging technology to create the community we want
- How the City can shape future policy for emerging technology

We want to hear from you.

Your voice is important and will help shape our policy recommendations. Join our upcoming Emerging Technology Open Working Group meetings:

All meetings are free and open to the public.

Check <http://emergingtech.sfgov.org> to find out meeting location.

You'll help the City define how we think about emerging technologies and ...

- Safety, Security, and Privacy
- Equity
- Efficient and Fair Process
- Accessibility
- Public Value
- Ethics
